

Can't Find Your Tracking Number?

Where is it?

If you have purchased a Pure Bred lamb product, your tracking number can be found on the blue package label, here:

What does it mean?

The code to your product is broken down as shown in the example below:

2

Pure Bred's patented product grading code.

R

The lamb's ear tag color on the farm for easy identification.

SK

The farm code for where the lamb was raised.

777

The lamb's ear tag number.

C

The primal cut designation.
